Microsoft Azure for Students

For students, use Azure training provided by Pluralsight to grow in your skills and confidence for your job.

How do I access the Microsoft Azure for Students benefit?

For university students, Pluralsight is proud to partner with Microsoft Azure for Students to provide a free 12-month, 35-course Pluralsight Skills limited library benefit.

Here's how to get your Microsoft Azure for Students Pluralsight benefit:

1. Click to register for Azure for Students (https://azure.microsoft.com/en-us/free/students/) on the official website.
2. After you've registered, visit the Education Hub (https://aka.ms/startedu) and click **Software**.
3. Click to the Pluralsight offer, then click **Activate**. This takes you to a Pluralsight where you can redeem your access.
   Alternatively, you can click **View Key** and redeem the code here (http://offers.pluralsight.com/offer/dreamspark).

For questions about Azure for Students, see the Azure for Students FAQ. (https://azure.microsoft.com/en-us/free/free-account-students-faq/) **Premium** Skills features, including Kaplan certification practice exams, interactive courses, and projects, are not part of the Azure for Students benefit.
